LEG EXTENSION

MODEL › GZFI8013
 FEATURES › LM technology

FEATURES AND BENEFITS

LM™ Technology › Contoured shin pads slide along a linear shaft, allowing legs to move independently from side to side for a natural movement pattern.

Multiple Start Positions › Leg assembly can be set in one of eleven start positions to fit a wide variety of users.

Adjustable Back Pad › Users can make simple adjustments to the seatback by simply pulling the seat forward or pulling the pop-pin and sliding to the appropriate position.

Adjustable Leg Assembly › To accommodate users of various heights, the leg assembly can be adjusted to one of 3 positions.

Cable › Heavy-duty, ¼" cable is rated to 4,200 lbs. minimum tensile strength.

Weight Stack › Oval-shaped stack is enclosed to limit access to moving parts.

Bolt-down Strap › For added safety, equipment can be bolted to the floor.

Floor Protectors › Made of molded rubber, floor protectors guard against damaging the floor.

Serviceability › The weight stack access panel allows for simple cable service while the removable upholstery and Linex® wear guards increase cushion life and allow for easy replacement of wear items.

SPECS › EPIC Selectorized Leg Extension
